

DAILY SCRUM

It focuses the work of the development team on achieving the Sprint Goal

1 Synchronization & Transparency
What progress, towards the Sprint-Goal, was made in the last 24h?

2 Planning of the next 24h
What will be accomplished by the next Daily and get us closer to the Sprint Goal?

3 Impediments
What are the impediments on the way to the Sprint Goal?
Is the Sprint Goal still realistic?

✓ The Sprint board is up to date
